

# “30 Hour Phone Famine”

This term, our fundraising focus is to raise funds to support education in places where the Marists are working, especially East Timor and Santa Teresa, which are two places that our Year 11 Immersion Groups visit at the end of Term 3.

In solidarity with the young people in East Timor who DO NOT HAVE A MOBILE PHONE, we're asking you to challenge yourself to go without your mobile phone for 30 hours!

The “Phone Famine” will begin at 9am on Thursday 27<sup>th</sup> August and concludes at 3pm on Friday 28<sup>th</sup>! Students and staff are asked to get sponsorship for each hour that last without their phone!  
SPONSORSHIP FORMS ARE AVAILABLE FROM YOUR House Mission leader.

Phones will be locked in a clear, safe box in the front office and kept at Front Reception.

Is there someone else you can sponsor...could you talk your parents, teachers or grandparents into participating? Would your workmates or family support you in this fundraiser? If YOU can't participate, who you will sponsor to take up this AMAZING challenge?

## Can you live without your phone for a good cause?

Special note to House Mission Leaders:

Please record the names of the students who are participating on the attached form and return it to Mr Cooney.

Once student have registered with you, they can take a Sponsorship Form.

There will be a special prayer during homeroom on Wednesday the 12<sup>th</sup>, while the students bring their phones to the front office.

Yes! I will be participating in the  
30 Hour Phone Famine  
to raise money for students in need!
