Dear Parents, Students, Staff and Friends of our Assumption community,

I trust our students are having an enjoyable and relaxing holiday and looking forward to returning to school next Monday, April 28. Autumn is certainly a beautiful time of year and Victoria is aglow with autumnal colours. The rain has made the College grounds picturesque, and I acknowledge our grounds and maintenance staff for their hard work in maintaining our facilities at such a high standard.

Parent-teacher-student interviews
These interviews will take place today from 2-9pm and next Tuesday, April 29 and Thursday, May 1 from 4-7pm in the recently heated Gonzales Centre. The start of a term is a chance for students to start afresh with a new-found enthusiasm towards their school work.

Blaze Aid
In the first week of the school holidays, four of our VCAL students, Joel Brincat, Thomas Martin, Taylah Paul and Hamish Murray represented Assumption College at a morning tea to acknowledge the wonderful work happening in our community to support families affected by the recent bushfires. Governor-General Sir Peter Cosgrove was at this function and he was very complimentary of our students and our college.

Year 12 retreat
I spoke to some staff who attended the year 12 retreat held at several venues in the last week of first term, and they were very impressed with the way students embraced this time away together. The opportunity to take time to escape the rush and urgency of every-day existence does not come often enough, yet the need to give time to our inner selves and nurture our spiritual dimension is important. I hope that the few days away together will prove to be valuable to our year 12s as they face the rigours of the remaining months.

Marist Basketball Carnival
Congratulations to our firsts boys and girls basketball teams for competing strongly in the Marist Basketball Carnival held in the last week of term one in Sale. Thank you to our coaches Mr John Philip, Ms Jessica Flavell and support staff Ms Debbie Blackall and Mr Alex Timms for giving their time to be with the students at the carnival.

Staff professional development day
Last Tuesday, Assumption teachers participated in a professional development day facilitated by Dr Susan Nikakis from the Catholic Education Office in Melbourne. Susan assisted our staff in developing teaching approaches to extend and challenge our more capable students. It is important that all students at our College are catered for.

Staffing
We welcome Mrs Anne Grieves who replaces Mrs Lynne Falzon who is on long-service leave. We have also appointed Ms Sasha Preece who will replace Mrs Julie Coonan in the welfare department for the remainder of 2014.

Opening of the new boarding houses
We were blessed with a pleasant autumn morning on Sunday, March 30 for the official opening of our new boarding houses. Fr Michael Kelly, a former ACK boarding student, blessed the houses and Br Michael Green, National Director of Marist Schools Australia, officially opened the new facility. The ceremony was well attended by staff, students, parents and old scholars, many of whom had travelled long distances to be present. In his speech, Br Michael said that our founder, St Marcellin Champagnat, would have loved the new boarding program “because it’s human in its scale … it creates family.”

A big thank you to MC Mr Bernard Jephson and to everyone who assisted in the preparation for the ceremony.
Open Day
Many prospective families attended our recent Open Day. The sun was shining and our grounds were in first-class condition. There were parents who commented to me on the College’s magnificent facilities and how impressed they were with the students who led them on a tour of the College. A big thank you to staff and students for the support of Open Day.

Year 7, 2015 enrolment offers
Year 7 enrolment offers for next year were posted home this week. Thank you to the many families who applied to come to our College. We understand the disappointment of parents when their child has not been offered a place but, unfortunately, we had many more applications than the 208 places available.

At enrolment interviews we stress that Assumption College is a Catholic and Marist school striving to be true to the Gospel. When families accept a place here, parents sign a form indicating their total support of the College and agree that their child will become fully involved in its life. This commitment from parents and students helps make our college a special place to belong.

Winter uniform
Given the late start to the second term it is our expectation that all students will be wearing the full school winter uniform when they return next Monday. Students must wear the College blazer to and from school.

AGSV/APS sport
Our winter sporting season is fast approaching, and I look forward to seeing our 600 students represent ACK each Saturday. Thank you to the parents who have volunteered to either coach or manage a sporting team. The sporting competition is an integral part of college life, and I encourage parents to come along and cheer for our teams.

Kind regards
Michael Kenny

Michael Kenny

ANZAC DAY

They shall grow not old,
as we that are left grow old;
Age shall not weary them,
nor the years condemn.
At the going down of the sun and in the morning
We will remember them.
Lest We Forget.

Things you need to know

**The Marlhes Restaurant:** Bookings for the restaurant are essential and can be made through Try-booking. The restaurant is open every second Wednesday from 5.30-9.30pm. Any queries can be directed to Mr Nigel Engel.

**Absence:** The College must be notified when your child is absent. Simply phone the Absentee Line: 5783 0806 and leave a detailed message or email absenteeism@assumption.vic.edu.au.

**Change of contact details:** Please ensure the College is kept up to date with any change of contact details including email and residential addresses and mobile numbers. Simply logon to PAM, go to School Links/PAM support and update your details.

**Need to make a payment?** For payments to the College for items such as excursions, uniform items or study tours, simply [click here].

**C & J Kerris Menswear:** (Ph: 5792 4333) On campus every Friday lunchtime between 1.30 - 2.15pm, (opposite the Gonzales Centre, next to the theatrette) for all your uniform needs.

**Parents and Friends Association:** Next committee meeting is Wednesday, May 7 at 7.30pm in the College staffroom. All welcome.
Open Day

Following the official opening of the new boarding houses, the College kept open its gates to the public for Open Day. We were thankful for the blue sky and sunshine for the approximately 250 families, of current and prospective students, who attended.

We proudly displayed numerous items of work produced by our students that were outstanding and these students should be proud of what they have achieved. Young visitors were able to participate in the interactive displays of each learning area where they could try solving puzzles, design their own boomerang, test their fitness, conduct science experiments, watch a feature film and make their own badges, to name just a few.

Teachers provided information on our various programs in teaching and learning, faith and ministry, boarding, pastoral care, the house system, co-curricular and library services.

The College Green provided an enticing spot to take a breather and enjoy a sausage in bread from the Parents and Friends barbecue, for which the staff and students were most grateful.

Once again, our students in action were the drawcards, and they were shown painting, drawing, dancing and performing various musical pieces. They spoke about their experiences with VET studies, school-based apprenticeships, working in the Learning Enhancement Centre and the co-curricular activities that they were involved in.

Local radio station OKR 98.3 FM broadcast from the Hermitage and interviewed staff and students.

Guest visiting the Marriotts Restaurant were treated to Devonshire teas and coffees from our student baristas.

More than 100 students acted as tour guides and visitors asked them many questions and were most impressed with their enthusiasm for being ACK students. Thank you and congratulations to all staff and students who helped prepare for this event and for their positive presence on the day.

The winner of the Open Day Visitor’s Passport Competition was Harrison Thomson, 5, from Seymour. Harrison wins a $50 iTunes voucher. Congratulations.

Year 11 Formal

A reminder to our year 11 families that the formal will be held in the Celebrity Room at Moonee Valley Function Centre on Friday, September 12. Further details can be found on PAM.

A deposit must be paid by April 28 to secure your booking.

Any questions can be directed to Ms Jessica Flavell or Mrs Rochelle Coyle.

### English News

In 7D English we have been reading short stories from the book *Fantastic*. We read the poem “Alphabet Animals” then we had to make up our own alphabet poems. First we chose a topic, then wrote down things from “a” to “z” on the same topic. We all had different topics. Through this we learnt that it can sometimes be hard to think of a word beginning with “a” to “z” for every topic, but we had fun with the criteria that Mrs Perez gave us. She was proud of all our efforts and so tickled pink with our published poems that she made a booklet from them.

**Mollie and Kiera**

#### Colours of the Alphabet

Amber, Blue and Cherry,
Dark brown, Eucalyptus and Fawn
They take fancy of my eye,
But none of which are my favourite

Grey, Hot pink, and Indigo,
Jade, Kobi, and Lavender,
All are very pretty colours,
But none of which are my best

Maroon, Navy and Orange
Purple, Quartz and Red
Again all are very nice
But none look the best

Sunset orange, Tulip, and
Ultra pink,
Violet, White and Xanadu
Again lovely colours
But not my favourite

Yellow, Yellow, Yellow,
One colour I can’t find,
May just be the colour
That is my favourite,
But here it is the one that
finishes off this poem.

**By Mollie Choate**

#### Alphabet Foods

Apples, Bananas, Carrots,
Dough-Nuts, Egg Plant and Figs.
After eating these,
We feel like pigs.

Grapes, Hot Dogs, Ice-Cream,
Jelly, Kiwi Fruit and Liquorice.
All these foods
Taste delish!

Meatballs, Nachos, Oranges,
Pasta, Quail and Rabbit.
Eaten all together
Make you faster.

Spring Rolls, Tuna, Upside down cake,
Vegetable Noodles and Watermelon
Eating all them
Could be a big mistake.

X is for Xmas when we eat
extremely tasty food.
Y is for yogurt which is yummy
for your tummy.
Z is for Zest, food is the best.

**By Caitlyn Elliott**

From the Careers Desk

Year 11 excursion to the Age Career and Employment Expo
Year 11 students are invited to attend the Age Career and Employment Expo on Friday, May 9. This expo is held at the Caulfield Racecourse and is the biggest expo of its kind in Victoria. Students will have to make their own way to Southern Cross Station by 9.45am and we will meet and travel as a group to Caulfield. The cost of the excursion is simply the train ticket, so if they do not have a student concession travel card I suggest they get one before the excursion date.

All the information will be supplied in a letter and put onto PAM later this week. This excursion is not compulsory and those not attending will be required at school. Students who normally attend TAFE or who complete their SBAT on this day are not allowed to attend.

To attend this excursion, students must book their place using trybooking by the end of school on Monday, May 5.

Are you interested in a careers in sports medicine?
Olympic Park Sports Medicine Clinic is conducting an information night about the different disciplines of sports medicine. Such disciplines include nutrition, podiatry, psychology, physiotherapy, massage therapy and exercise physiology. This information session will be held on Wednesday, May 28 between 6.30 and 9pm at AAMI Park Stadium. The cost is $25. For further information students should check the brochure that I emailed them during the holidays or view the website.

Reminders - UMAT Test
This entrance test is needed if you wish to apply to study medicine at Monash University or at most other medical schools interstate. Students need to book for the test by June 6. As you need to pass this test to be considered for medicine at Monash, students should complete the practice material supplied but it is up to them whether they wish to apply for any of the courses that are available to help study for the UMAT.

SBAT/VET
SBAT or VET students applying for the School-based Apprentice of the Year or Vocational Student of the Year award are reminded that nominations close on Friday, May 2 2014. I wish all those applying the best of luck and please let me know if you have applied and I am available to assist you in reviewing your application if needed.

It has been a very big first term in VET and school-based apprenticeships and traineeships. This year we have 367 students participating in 26 different VET programs. There are 42 Students doing a SBAT in 17 different industries.

Congratulations to those students who completed their structured workplace learning completed in the recent holidays. I encourage all students to organise your placements for the June/July school holidays NOW. No forms for placement will be accepted after Friday, June 13. It is the students’ responsibility to make sure they get their forms signed by the employer and back to me with dates, times and all signatures, except for Principal Mr Kenny, by June 13. No late forms will be accepted.
VCAL

Chasing waves in Torquay

On Monday, March 31 the year 11 VCAL students spent the day at Torquay scoo-ling the tubes (aka surfing). The aim of the day was to help us bond and challenge us with a new and rewarding activity that took us out of our comfort zone.

We left bleary-eyed at 6.30am for the long trip to Torquay. Once there, we were introduced to the surfing instructors from ‘Go Ride a Wave’ who gave us a run down on how to surf and, most importantly, the safety rules.

With the temperature soaring to 31 degrees, we were ready to hit the waves and put our surfing skills to the test. We never realised how much fun surfing could be.

After working up an appetite, lunch was fish and chips which we enjoyed on the beach. Then, after a long day of demonstrating our pro-surfing abilities, it was time to get on the bus and head back to Kil-more. We had a great day.

A special thank you to Mr Gilchrist and Ms Ryan for organising, supervising and scoo-ling the tubes with us.

By Noah Stopp

First applied learning leader – Joel Brincat

This year we have appointed an applied learning leader. The major role of this person is to help promote not only VCAL but all VET and SBAT courses. At the end of 2013 Helen Campbell spoke to the then year 11s about this position and students were asked to apply if they thought they would meet the criteria. The staff considered the applications and named Joel Brincat as our inaugural Applied Learning Leader.

Joel is a six-year student from Wallan. He always wanted to be a plumber so in Year 10 he obtained a school-based apprenticeship with Laidlaw Plumbing and Drainage and has been working for them every Wednesday.

By the end of this year Joel will have completed his Senior VCAL Certificate, Certificate III First Aid, Certificate III in Civil Construction Plant Operations and Certificate III in Work Platforms. Joel has been a passionate leader, speaking at the VCAL parent information night, attending and presenting at Open Day but the highlight would have to be meeting the Governor General Sir Peter Cosgrove last week at the Blaze Aid reception. I look forward to continuing to work with Joel promoting all forms of applied learning in the school.

VCAL students acknowledge by the Governor-General

On Monday, April 7 Taylah Paul, Joel Brincat, Tom Martin and Hamish Murray (pictured with the Governor-General) represented the year 12 VCAL students by attending a reception for Blaze Aid at Wandong. This was the first function that Sir Peter Cosgrove attended in his new role as Governor-General. In his speech Sir Peter acknowledged the students of Assumption College for their work with Blaze Aid. He commented on the fact that our community is in good hands when he sees our students working alongside community organisations such as Blaze Aid. The year 12 VCAL students will continue working with Blaze Aid this term.
Music

Music ensembles: rehearsals and schedules
All ensembles have resumed rehearsals. Please check the updated schedule below. There are significant changes to the Band and Senior Chorale rehearsal times.

</table>

Students must give notice of any foreseeable absences to their conductor PRIOR to rehearsal.

*Invitation and/or audition only, for students who have participated in at least three years of membership in a Chorale or Concert Band. Members are expected to continue to participate in either a Chorale or Concert Band.

Thank you
Thank you to the 50+ music students who gave up their Sunday, to perform at Open Day on Sunday March 30. There were many performances of high standard this early in the year. Thank you also to the music staff, for preparing students so well.

Music Camp
The Music Department is hosting the annual Music Camp from May 8 to May 10 2014, at Rutherford Park Country Retreat, Blampeid. Music students of all ensembles will participate in intensive rehearsals, culminating in an afternoon concert on Saturday, May 10 at 1pm, at the camp venue. In addition, highly esteemed conductor and band/choral clinician, Mr Monte Mumford, will join us on the Friday, to run workshops with students. Further information about Mr Monte Mumford can be found at www.montemumford.com. Please look out for the Music Camp letters, coming soon via email, and adhere to the payment dates.

Assumption College/Lavalla College: Music Exchange
The Music Department is also hosting the inaugural Music Exchange with Lavalla College Traralgon, on June 18-19. Lavalla College’ students will participate in joint rehearsals with ACK students, to culminate in a twilight concert on Thursday, June 19. Expressions of interest for billeting Lavalla College students, from families of ACK music students are now open.

Attendance at instrumental music lessons
There is no credit or refund of fees if lessons are missed due to forgetfulness. If absence is due to illness, please let reception know in your SMS or phone message, and they will pass the message to me. Alternatively, please email the instrumental music teacher directly, or me. Please note: the latest we will accept a notified absence is 8am on the day of the lesson.
What’s been happening?

The Assumption equestrian team had another successful month in March, attending three events as part of the Victorian Equestrian Interschools Series. Hillcrest Christian College hosted a dressage event at Ayr Hill; Ivanhoe Grammar held a showjumping and dressage day at Yarrambat; and Braemar College held a dressage state qualifying event to round off the month. At the Hillcrest event, Haylea Wright finished 5th overall on Diamond Dot in the Novice Senior section, while Victoria Meyer also achieved 5th place overall in the Elementary section on Avella di Marcello.

An enthusiastic team represented ACK at Ivanhoe in perfect, calm conditions. In the showjumping, Siobhan Laffan was Reserve Champion in the Encourage section on Drom Erin Risky Business and 6th in the same section on Deejay Aramis. Eliza James was 8th in the same section on Fiddlers Bow and her efforts, along with those of the rest of the team, lifted ACK to 5th in the day’s schools championship.

Thanks to some great results in the dressage at Ivanhoe, Assumption was the third most successful school on the day. Madeleine Manton was 4th overall on Nattai Silverado in the Preliminary Secondary 2 section and 10th overall in the Novice Senior on her new horse Real Sound. Brigitte Theuma continued her impressive run of results with 6th overall in the Novice Senior on Gladiators Ghost. The ACK girls were super impressive in the Elementary, with Victoria Meyer coming 4th overall on Avella di Marcello and Emily Stuart 6th overall on Sweeney Todd.

The month finished off with the Braemar dressage event at Lancefield, which attracted a large and enthusiastic ACK team. In the Preliminary Secondary 1 section, Madeleine Manton pulled off her best dressage result by winning both tests and being named overall champion on Nattai Silverado. Jenyca Bryant was 9th overall on Zac in the same section. In the Preliminary Secondary 2 section, Kayla Thomas was 5th overall on Ponderosa Stud Lovely, while Abbey Green came 7th overall on Imperial Georgiana. In the Novice Senior, ACK had three top 10 finishers – Emily Stuart 6th overall on Sweeney Todd, Madeleine Manton 9th overall on Real Sound, and Haylea Wright 10th overall on Diamond Dot.

There were more terrific results in the Elementary class, where Victoria Meyer came 3rd overall on Avella di Marcello and Brigitte Theuma 5th overall in her very first attempt at this more complex level on Gladiators Ghost. These great efforts lifted Assumption to 2nd on the champion schools list for the day, becoming reserve champions behind Braemar on countdown from Geelong Grammar School.

ACK Swimming and Athletics Carnival Champions

Congratulations to the year level champions of the ACK Interhouse Swimming and Athletics carnivals held last term. The following students were presented with their medals at a full school assembly:

**Swimming**
- Year 7 - Sophie Locke and Jack Tricarico
- Year 8 - Logan Clark and Thomas Wyllie
- Year 9 - Tegan Post and James Boland
- Year 10 - Ashleigh Hamilton and Andrew Rice
- Year 11 - Erin Roche and James Stewart
- Year 12 - Emily Bradford and Dominic Holt

**Athletics**
- Year 7 - Sophie Locke and Jesse Taylor
- Year 8 - Eliza O'Donnell and Shane Skidmore
- Year 9 - Hayley Phillip, Jack Coburn,
- Year 10 - Claudia Cook, Brandon Austin and Stephen O’Brien
- Year 11 - Chenoa Mullis and Jack Bradford
- Year 12 - Kasey Macaulay and Jesse Soulsby
Boys Sport

Boys AGSV winter sport
Round 1 of the AGSV will commence on Saturday May 3 – the end of week 1 of term. Could all players ensure they have their playing jersey ready to go for then. First XVIII football commences on Friday May 2 at 2:30pm on Carroll Oval. All fixtures for boys winter sports can be found at the new website.

AGSV/APS/BAS golf championships
The annual AGSV/APS/BAS Golf Championships (stroke event) were recently held at Royal Melbourne Golf Club. We entered a team of four players with the best three scores from each school counting towards the Teams Trophy. We finished in 7th position with a total of 252 strokes (best three scores).

Congratulations go to Mitchell Lewis, Callan Stone, James Watt and Sam Peet for their fantastic play on the day.

AGSV representative matches
Two ACK boys represented the AGSV cricket team against the APS at St Kevin’s on Tuesday, April 1. Sam Laffan and Ryan Cumberland acquitted themselves quite well, however, the team was unable to get over the line on the day. Congratulations go to ACK basketballers, Jack Murphy and Leo Viitala, who have been selected in the AGSV basketball team to play against the APS in the winter representative matches on Saturday, August 9 at PEGS.

Congratulations
During the Easter break Matthew Ranger (Year 9) travelled to Coffs Harbour, NSW, as part of the Victorian Under-15 multicultural football team to compete in the inaugural “All Nations Cup”. Matthew spent three days at North Melbourne’s training centre at Arden St last month for a high-performance camp conducted by AFL Victoria. The camp included three days of testing and training, a visit to AFL House, attending the St Kilda v GWS game and having sessions with Majak Daw and Bachar Houli. The weekend culminated with a trial game from which the team was chosen. Well done Matthew.

Community Notices

The Goulburn Child FIRST Alliance is hosting a community information session on

ICE
(Crystal Methamphetamine)

Tuesday, May 6, 2014
6.30-8.30pm
at Wallan secondary College (Performing Arts Building)
Duke Street, Wallan

This session is being presented by Melbourne-based Anex. In recent months, Anex has responded to increasing levels of amphetamine-type stimulant use across Victoria through a series of training seminars.

For more information and to register please contact: Naomi Mazzone 57 354 600 or email: nmazzone@familycare.net.au
Round 2 match report

Assumption College past players were to the fore when the Two Blues bounced back from a Round 1 thrashing to trounce Bulleen Templestowe in VAFA Division 1 at Elsternwick Park on April 12.

John Robbins with four goals was a stand out, with a 50m boundary line set shot goal into the wind late in the third quarter a game clincher. But the match committee voted young ruckman Tom Keaney best afield. Tom was centre half-forward for the School VXIII last year and has quickly adapted to senior football. Prahran Assumption slammed on eight goals in the last quarter to race away to a 43 point win, 17-15 (117) to 11-8 (74).

Another Assumption old boy, Tim Webb, demoted to the Reserves after struggling in the Senior defeat at the hands of North Old Boys/St Pats, was voted best afield in the Reserves in an on-ball role. The seniors are fifth after two rounds and the unbeaten Reserves are fourth.

Prahran Assumption will play an away game v Old Mentonians on Saturday before the club’s first home game at Toorak Park on May 3. Andrew McKay, the former Carlton star and now football manager, will be guest speaker at a pre-game luncheon.
