INTRODUCTION
Assumption College has developed the following Child Protection and Safety Policy. This policy is an overarching document that provides key elements of our approach to protecting children from abuse. It is designed to be communicated through our public website as well as through other mediums such as newsletters, our annual report and in induction and welcome packs for Council members, staff and volunteers.

PURPOSE AND SCOPE
Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence. Assumption College is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program designed to keep children safe.

This policy provides the framework for:

- the development of work systems, practices, policies and procedures that promote child protection within the College;
- the creation of a positive and robust child protection culture;
- the promotion and open discussion of child protection issues within the College; and
- complying with all laws, regulations and standards relevant to child protection in Victoria.

CHILD SAFE PRINCIPLES
The College's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse:

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safety Code of Conduct and Staff and Student Professional Boundaries Policy.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our College community.
7. Procedures are in place to screen all staff, Direct Contact Volunteers** third party contractors and external education providers who have direct contact with children.
8. Child safety and protection is everyone’s responsibility.
9. Child protection training is mandatory for all Council members, staff and Direct Contact Volunteers.
10. Procedures for responding to alleged or suspected incidents of child abuse are simple and accessible for all members of the College community.

11. Children from culturally or linguistically diverse backgrounds have the right to special care and support including those who identify as Aboriginal or Torres Strait Islander.

12. Children who have any kind of disability have the right to special care and support.

**Direct Contact Volunteers** are those volunteers that are involved in providing support, guidance and supervision directly to students and could potentially have direct unsupervised contact with students during the normal course of providing the volunteer service.

Examples of Direct Contact Volunteer activities may include volunteers involved in College camps and excursions, coaching sporting teams or assisting in learning activities.

**CHILD PROTECTION PROGRAM**

Assumption College is committed to the effective implementation of our Child Protection Program and ensuring that it is appropriately reviewed and updated. We adopt a risk management approach by identifying key risk indicators and assessing child safety risks based on a range of factors including the nature of our College’s activities, physical and online environments and the characteristics of the student body.

Our Child Protection Program relates to all aspects of protecting children from abuse and establishes work systems, practices, policies and procedures to protect children from abuse. It includes:

- clear information as to what constitutes child abuse and associated key risk indicators;
- clear procedures for responding to and reporting allegations of child abuse;
- strategies to support, encourage and enable staff, volunteers (direct and indirect), third party contractors, external education providers, parents and students to understand, identify, discuss and report child protection matters;
- procedures for recruiting and screening Council members, staff and Direct Contact Volunteers;
- pastoral care strategies designed to empower students and keep them safe;
- policies with respect to cultural diversity and students with disabilities;
- a child protection training program;
- information regarding the steps to take after a disclosure of abuse to protect, support and assist children;
- guidelines with respect to record keeping and confidentiality;
- policies to ensure compliance with all relevant laws, regulations and standards (including the Victorian Child Safe Standards);
- a system for continuous improvement and review.

As a part of Assumption College’s induction process, all staff and Direct Contact Volunteers are required to complete a selection of training modules on the content of our Child Protection Program.

All staff, Direct Contact Volunteers and Council members are provided with additional, ongoing child protection training at least annually.

Staff, volunteers (direct and indirect), third party contractors and external education providers are supported and supervised by the College’s Child Safety Officers to ensure that they are compliant with the College’s approach to child protection.

**RESPONSIBILITIES**

avenues available to them to report or disclose abuse or concerns for their safety or the safety of others.
